EU4Municipalities is here!

EU for Municipalities (EU4M) is a new project funded by the European Union which aims at fostering municipalities' development potential and improving the socio-economic and environmental conditions of local communities in Albania.

THE PROJECT HAS TWO SPECIFIC OBJECTIVES:

1 SUPPORT MUNICIPALITIES IN IMPLEMENTING THEIR STRATEGIC DEVELOPMENT OBJECTIVES AND STRATEGIC DEVELOPMENT PLANS

2 STRENGTHEN AND ENHANCE EU FUNDING ABSORPTION CAPACITIES AMONG MUNICIPALITIES IN ALBANIA

EU for Municipalities will support the upgrade of municipal infrastructure enabling quality public services and sustainable local economic development therefore directly contributing to improving the quality of life and life chances of Albanian citizens in their local communities.

The priority of EU for Municipalities is to support municipalities in Albania via sub-grants ranging from EUR 20 000 to 50 000, and EUR 100 000 to 200 000 contributing to:

PROMOTING AND FOSTERING SUSTAINABLE AND INCLUSIVE LOCAL ECONOMIC DEVELOPMENT

REHABILITATION AND MODERNISATION OF LOCAL INFRASTRUCTURE AND UPGRADING THE QUALITY OF LOCAL PUBLIC SERVICES

ENVIRONMENTAL PROTECTION AND CLIMATE CHANGE MITIGATION AT LOCAL LEVEL

PROMOTING YOUTH, CULTURE AND SPORTS IN LOCAL COMMUNITIES

This project is funded by the European Union

GRANTS FOR MUNICIPALITIES

WHAT WILL EU4MUNICIPALITIES DO?

Contribute to **addressing key problems** affecting the quality of life of Albanian citizens at the local level through targeted infrastructural investments;

Contribute actively to the **improvement of living conditions** through the ameliorated quality of local public services;

Contribute to the creation of a favourable enabling environment for **economic development** and **social cohesion**;

Contribute to supporting municipalities in **fundraising capacities** to finance capital investment projects (as included in their strategic development plans);

Strengthen **local government human capacities** to absorb and implement EU financial assistance and increase the success rate in other potential EU financial instruments;

Create a **"best practice" model** for local governments and citizens on how development priorities should be defined, streamlined and implemented.
